

Get in on the Action!!

Alden Bicentennial Event/Program/Project Form

On March 27, 1823, the Town of Alden was established and codified in the Laws of the State of New York. In anticipation of the Town's 200th anniversary, the Town has created an ad-hoc Bicentennial Committee. The Committee has been meeting to organize a bicentennial celebration that will begin on the first day of the Town's 200th year, March 28, 2022, and runs through March 2023.

Planning is underway. Tentative events throughout the year include: A 200 Years Celebration set for late July, 2022; Community Night Out on August 2, 2022; a Spooktacular Weekend in October, 2022; New Year's #200 on December 31, 2022; and, the Birthday Party set for March, 2023.

Local civic groups, businesses and churches are invited to get in on the action with bicentennial-themed events and programs of their own. Creativity is encouraged. The Bicentennial Committee hopes community organizations and businesses will use this opportunity to highlight their own histories and contributions to our Town.

Getting in on the action is simple. If your organization is planning a bicentennial-themed event, program or project; or, adding a bicentennial theme to an existing event, simply fill out the form below and return it to events@alden200.com or via mail at C. Malecki, 11775 Manitou drive, Alden 14004. We will add this information to the Bicentennial Calendar. The calendar will be posted on the bicentennial webpage at alden200.com.

(The following information may be included on the calendar, unless you note otherwise.) Thanks for joining the Town of Alden's 200th celebration!
